

LES PATES VIVANTES : Live noodles, living culture

When taste becomes a live show and noodles are made right before your eyes, when the know-how is authentic and tradition truly respected, then without question you are at the Restaurant « Les Pâtes vivantes » ! Please don't cut your noodles because they are a symbol of longevity ! Taste and enjoy them with all their length... just like life !

Chinese noodles have been around for more than 2300 years ! Throughout the centuries their production has become a real way of life and a major aspect of Chinese culinary culture.

Get ready for a surprise ! This is what happens when a most ancestral tradition meets perfect know-how ! So let yourself be tempted by this very subtle art ! Discover an amazing show in which noodles are going to be hand-pulled and stretched until they reach a smoothness beyond expectations ! Let yourself be taken away by unique amazing flavours !

Today is your birthday ? We offer you a bowl of noodles and longevity !
